Dear Kathleen,

On behalf of the Friends of Oswegatchie Hills Nature Preserve, Inc., I would like to thank you for your grant of \$2,000 made on April 10, 2019 to the Pitch Pine Project. Your support will help the Friends to accomplish our proposed pitch pine plant, nurture and re-plant back-in-the-Hills project.

Again, thank you for your support of Friends of the Oswegatchie Hills Nature Preserve. Your generosity is deeply appreciated.

Sincerely,
